A PROJECT OF BARRIO DOGS YOUTH AND PAWS

Give your pet healthy dog food and make sure it always has fresh water.

Ask a grownup to go with you to take your dog for a walk. Always use a leash.
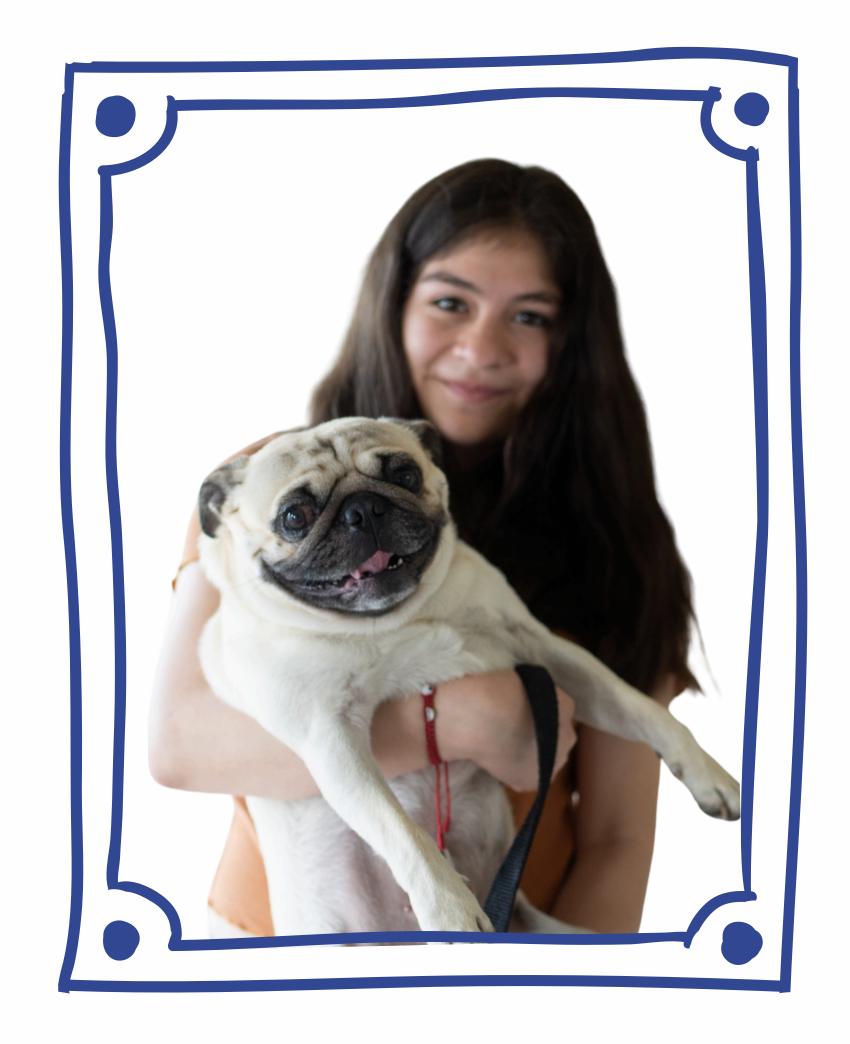

Make sure your pet has shelter, either inside your home or outside in a dog house.

Take your pet to the vet every year for an annual checkup or more often if it is sick.

Your pet is part of your family so be sure to spend quality time with him or her.

Having a pet is a big responsibility. Before you get one, make sure you are able to take good care of it.
