

# LOVE YOUR PET

A Project of Barrio Dogs  
Youth and Paws

What are  
some ways to  
show you love  
your pet?

Always feed  
your pet  
healthy pet  
food and  
make sure it  
has fresh  
water.

Give your dog plenty of exercise by taking it for walks. Always use a leash.

If your dog likes to play with other dogs, ask an adult to take you both to a dog park.

Make sure  
your pet has  
shelter, either  
inside your  
home or  
outside in a  
dog house.

Get your pet  
spayed or  
neutered and  
take it on  
annual visits  
to the vet.

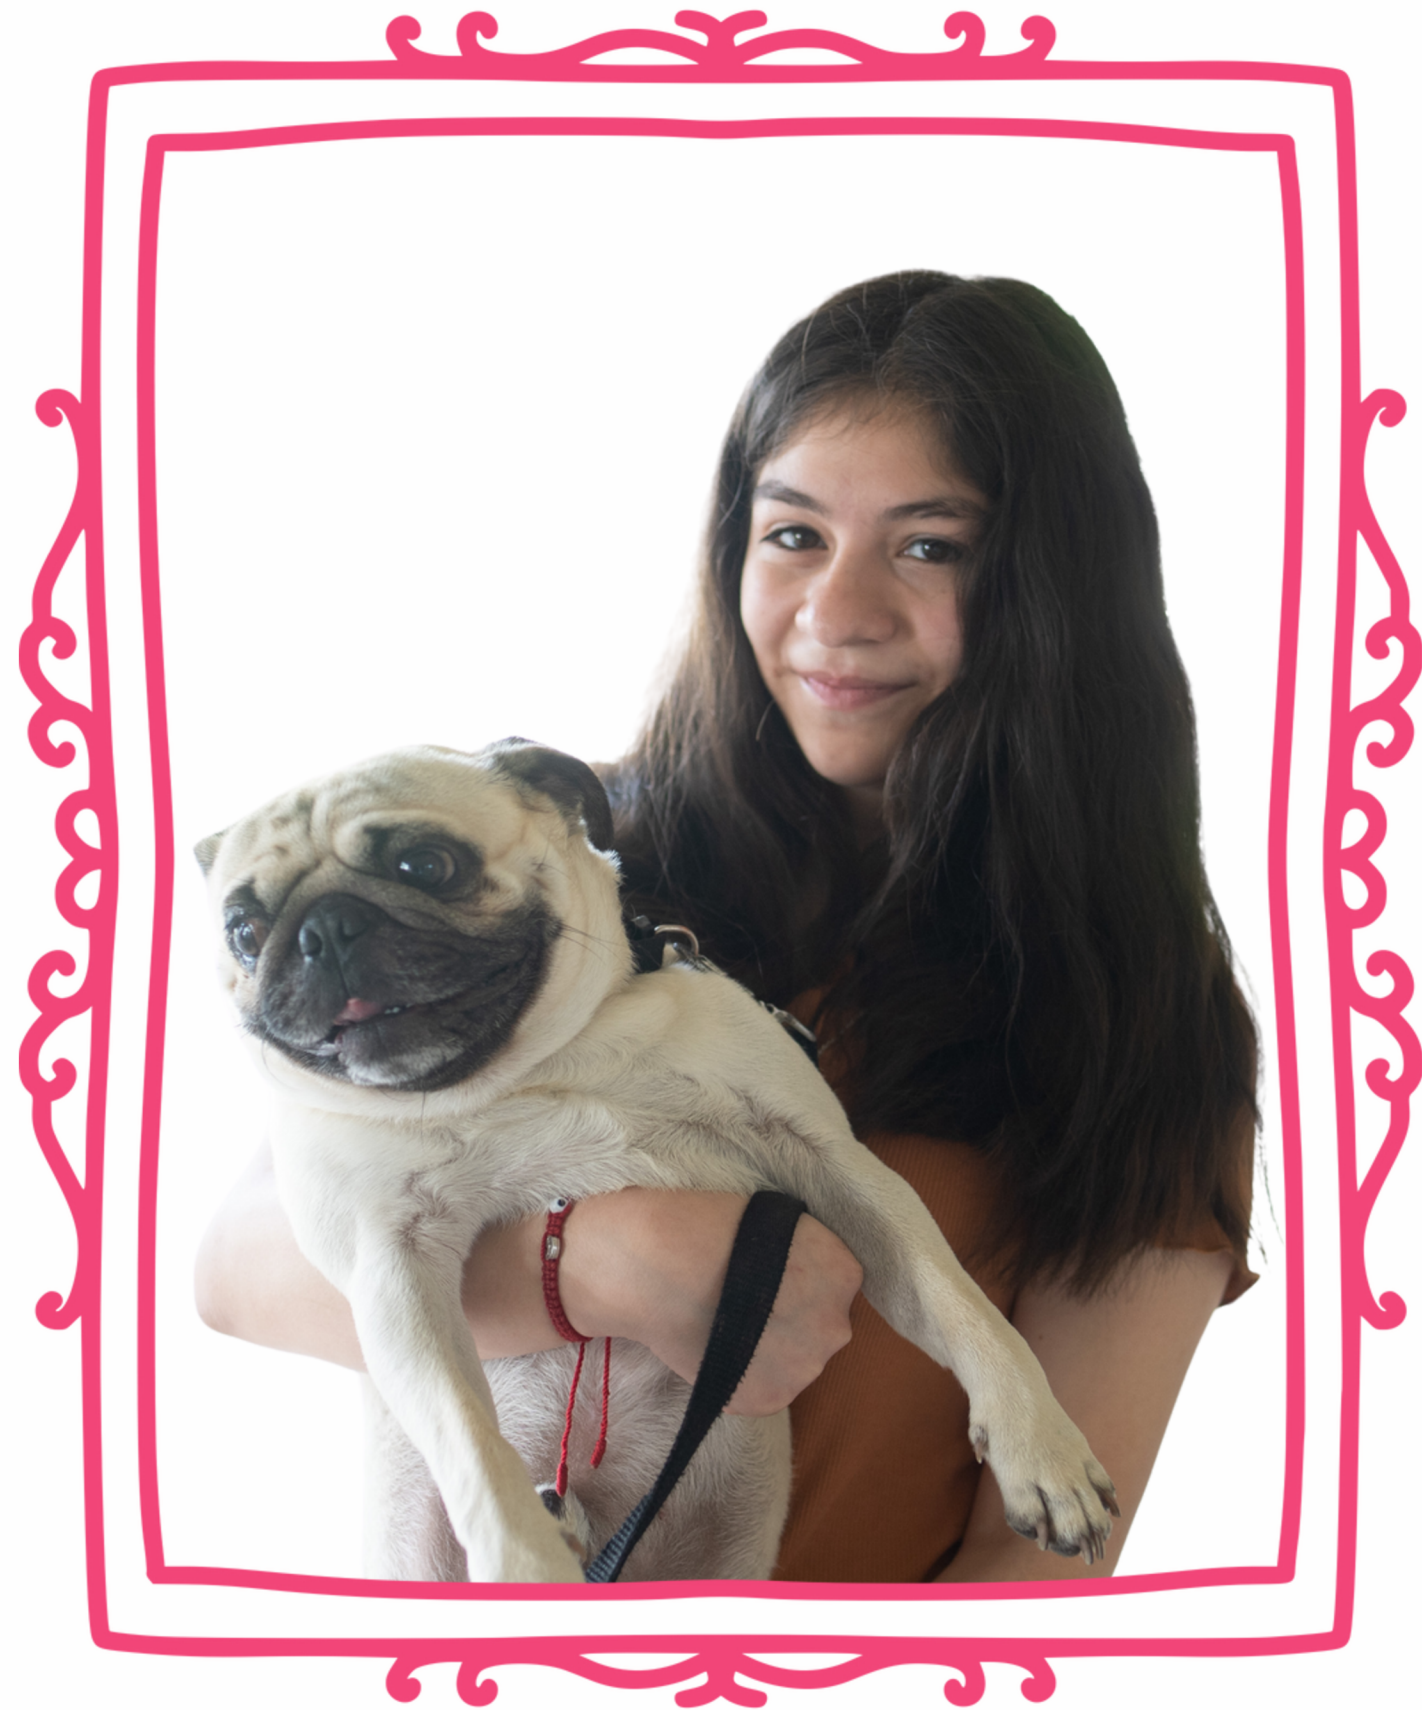

Your pet is  
part of your  
family so be  
sure to spend  
lots of quality  
time with him  
or her.

Remember, a pet is a big responsibility. Before you get one, make sure you have the time and resources to take good care of it.

**And if you're thinking of buying a puppy, PLEASE DON'T!**

There are many wonderful dogs at Houston animal shelters that desperately need a home.

Always adopt, don't shop.
